EARLY AUTUMN

is a favorable time for transplanting
OUR FINE ORNAMENTAL EVERGREENS

This advance offer list of specials is intended to direct your attention to this class of hardy planting material at this time when Evergreens are handled to best advantage for final results. Our other specialties in Quality First stock, including DECIDUOUS TREES for Park, Lawn and Avenue planting, FLOWERING SHRUBS and VINES, superb GARDEN ROSES, selected HERBACEOUS PERENNIALS and true-to-name FRUITS, we have in good assortment as heretofore, for October and November planting.

THE KELSEY NURSERY SERVICE

as for nearly a half century, is abreast of the times; and notwithstanding the increasing scarcity of many desirable varieties, and existing economic and transportation conditions, our facilities for serving you to your satisfaction, are adequate. Avoid possible disappointments later by calling on us now. Your wishes are our commands, and if you will let us know how we may serve you, it will be a pleasure to do so.
